EDUCATION

B.tech in Computer Science, GLBITM GR.NOIDA   Expected 2025
CGPA: 7.71

Intermediate, KNICE SULTANPUR   2018 - 2020
Percentage : 85.00

HighSchool, DPSSC LUCKNOW   2016 - 2018
Percentage : 78.60

SKILLS

Technical Skills	C, C++ ,Python, STL ,HTML ,CSS ,JavaScript ,MySQL, Data structures & Algorithms
Soft Skills	Problem solving , Communication , Time management , Teamwork
Tools	VS code ,Git, Github , Latex

PROJECTS

MOVIE RECOMMENDER SYSTEM.
Build a content-based movie recommendation system utilizing data analysis to provide tailored movie suggestions based on user preferences.
It uses the movie features like rating, cast, director etc and based on past user preferences it recommends the movie.

MYNTRA CLONE .
Designed and implemented the user interface of the Myntra clone using HTML and CSS, ensuring a visually appealing and responsive layout that closely emulates the original Myntra website.
Integrated dynamic features and interactivity using JavaScript to enhance user experience, including product carousels, navigation menus, and interactive product previews.

EXTRA-CURRICULAR ACTIVITIES

- A 3 star programmer on Codechef Max Rating(1610)

- Global Rank 589 in Codechef starters 78.

- Solved 200+ problems on leetcode.

- College runner up and overall 5th rank in Codebyte 2.0.

- Co authored the annual inter college coding competition.

LEADERSHIP

CODING NINJAS — Campus Ambassador
Organized coding workshops, events, and competitions to engage and educate students , fostering a vibrant coding community on campus. Spearheaded targeted outreach campaigns within the campus community, effectively promoting Coding Ninjas' programs and events to increase student engagement and participation.
